Dear Madam, Dear Sir,

On the occasion of the anniversary of the fall of the Berlin Wall and as a start of their festival season, spielzeit'europa | Berliner Festspiele present a spectacular open-air theatre event from October 1 to October 4, 2009. Around German Unification Day, spielzeit'europa invites the whole city as well as its visitors to join the French street theatre company Royal de Luxe – with their 7-meters tall Little Giant-ess and the 15-meters high Big Giant – on their journey through the city and to celebrate the fall of the Berlin Wall with this four day theatre festival alongside guests from around the globe.

Joachim Sartorius, director of the Berliner Festspiele, and Brigitte Fürle, artistic director of spielzeit'europa, would like to inform you about this extraordinary project at the rehearsal-quarters of Royal de Luxe at Tempelhof Airport on September 21, 2009. Together with Jean Luc Courcoult, founder and artistic director of Royal de Luxe, they will introduce this major event, which will be realized with the help of more than 200 participants at historical sites in central Berlin from October 1 to October 4, 2009. Afterwards Brigitte Fürle will present the program of this years' dance- and theatre season spielzeit'europa 2009. You will have the opportunity to ask questions after the press conference.
